INSTRUCTIONS

Style and Fonts

1. **Paper:** Use paper 75 gm /m2 or better high-quality acid -free A4-size paper, with printing on both sides of the paper.

2. **Printing:** A high- quality laser printer should be used for the final copy.

3. **Headings:** In disciplines where section numbering is normally used, the following guidelines apply

- Chapter title: 18 – 24 pt. size, bold

Main Section Heading: can be numbered as chapter number

- Section Number (e.g. 3.2 for chapter 3 section 2) in 14 pt. size, bold
- Second Headings: can be numbered as x.y.z (e.g. 3.2.4 for chapter 3, section 2, and subsection 4) in 12 pt. size, bold.
- First Subheading: can be numbered as x.y.z.w (e.g. 3.2.4.1 for chapter 3, section 2, and subsection 4, and sub-subsection 1) in 12 pt. size, regular.
- Second Subheadings: preferably unnumbered, 12pt. italics.

4. **Text Font:** All text fonts should be in **Times New Roman 12pt. size**. Bold and Italics should not be excessively used in the text. All the text paragraphs should be in **Justify format** and no colored text should be present in the paragraph.

5. **Spacing:** one and a half spacing is required for the text. Only footnotes, long quotations, bibliography entries (double space between entries), table captions, and similar special material may be single spaced.

6. **Margins:** Left: 4 cm, Top, bottom, and right: 2.5 cm. These are necessary to allow for binding and trimming.

7. **Page Numbering:** Preliminary pages of the thesis, that is, those preceding the text are to be numbered in Roman numerals. The first page must not show its page number. Pages of the text itself and of all items following the text should be numbered consecutively throughout in Arabic Numbers, beginning with the number 1 on the first page of the first chapter. Page numbers should be placed in the lower right corner or centre of the page. Only the number should appear, not **Page 9** (as an example).

8. **Tables and Figures:** Figures and tables should be inserted at the appropriate place in the text. Figures must have numbers and captions below / under the figures whereas tables have their titles and numbers above.

9. **Drawings:** Any material which cannot be typed or computer generated should be drawn with permanent black ink in neat and heavy lines. Photographs of drawings are Acceptable. All the photographs/drawings / other materials taken from the internet or any books, research papers etc. should be properly referenced.

10**. Photographs:** High-clarity, high-quality scanned e-images to be inserted into the project report text.
